

## TESTIMONIALS

*DJ Dave's Entertainment was a wonderful company to work with for all our needs. Dave went out of his way to make our event memorable. Each member of their team was great! Bess' knowledge with song selection was amazing. The kids enjoyed every minute of the dance. And I can't forget Benny at the Photo booth, he made sure each child had a copy of the photo to take home.*

*Given our experience with DJ Dave's Entertainment we are more than happy to recommend them! I know we will be using them for our events in the future!*

*You guys were great and I am so glad you were free to do the wedding we could not have expected any better!*

*Dwain C. - Wedding Reception*

*Just wanted to drop a line and say what a pleasure Dave and Bess are to work with. They strive to make each party a success based on what the client tells them they want. I also like the fact that they are local and family here at Walden, so keeping the business close to home is very important!*

Dave, The dance was a huge success! Largely, due to the DJ and the Photobooth. I thank you for all your hard work.

On a personal note, I would like to see if I could schedule you for my daughter's wedding at Crystal Springs.

Thanks,
